High throughput Genotyping (HTPG) Project Contact List

• Dr. Eng Hwa Ng
  N.Enghwa@cgiar.org

• Milcah Kigoni
  m.kigoni@cgiar.org

• Dr. Himabindu Kudapa
  K.Himabindu@cgiar.org

• John Carlos Ignacio
  j.Ignacio@irri.org
We will discuss the following:

- At what breeding stage are you integrate genotyping?
- What breeding materials/populations do you have?
- What’s your purpose for genotyping?
- Are markers the available?
- Which genotyping platform is suitable?
- What lab supplies do you need?
- Did you plan your trials with genotyping in mind?
- What’s your timeline?
- What sample size do you have?
- Budget
